FISCAL NOTE ANALYSIS

STATE OF ALASKA
2016 LEGISLATIVE SESSION

Analysis

Included within the House Bill 30, State Agency Performance Audits (Chapter 19 SLA 2013), was a recommendation that the Department of Health and Social Services, Division of Alaska Pioneer Homes require that applicants for the payment assistance program first apply for Medicaid. **Section 44** of Senate Bill 74 would adopt this recommendation into law. The Division of Alaska Pioneer Homes estimates that 24 Level-3 residents will be eligible for the Alaskans Living Independently Waiver.

Once eligible, the division can bill Medicaid for the services being provided to the residents. This change would reduce the general fund required for the 24 residents by (\$1,066.7). However, in order to collect the revenue from Medicaid the division would need an additional \$1,066.7 in inter-agency receipts, as this is how the division is allocated revenue authority for Medicaid receipts.
